# New Dawn Stage Tile Label

Updated the Journey stage-grid subtitle for stage 8 so the mobile tile reads **Human centered AI**.

## Change

BEFORE

**Better human use**

AFTER

**Human centered AI**

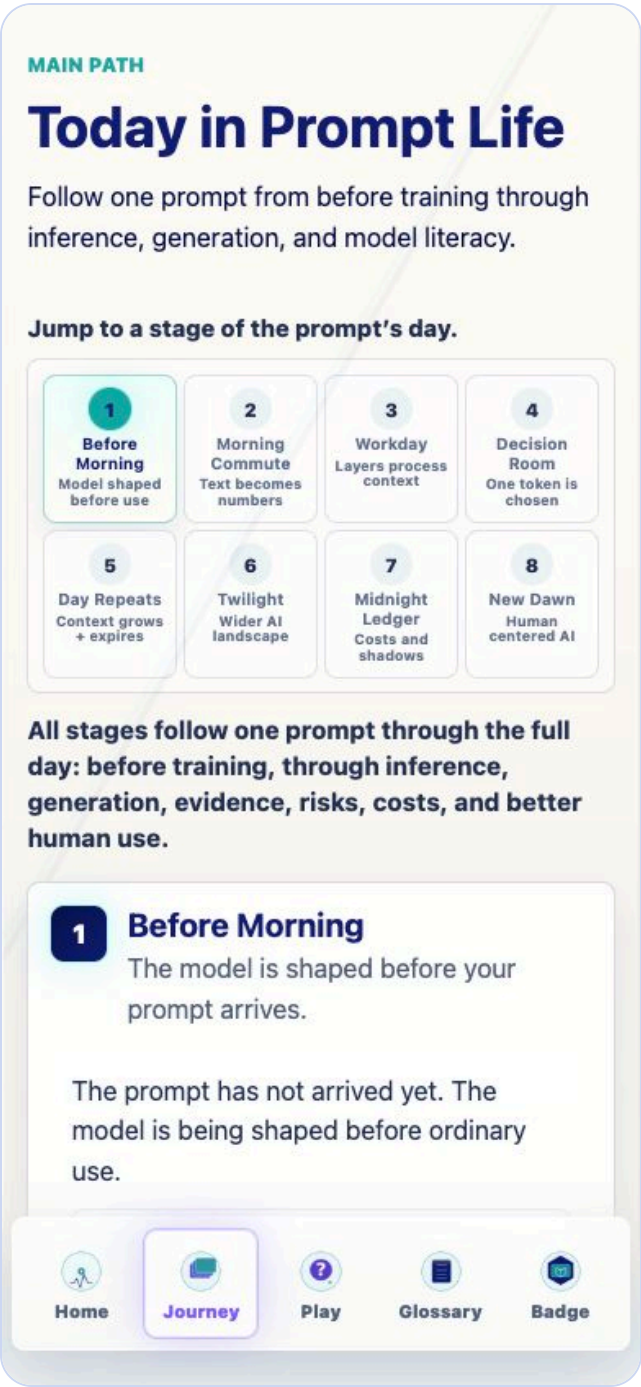

## What Changed

- Changed the New Dawn grid subtitle to **Human centered AI**.
- Aligned the fallback nav hint and aria label with the new subtitle.
- Bumped the visible app version to **v0.23.4**.

## Verification

- `npm run typecheck` : passed.
- `npm run build` : passed with the existing large-chunk warning.
- `npm run build:pages` : passed with the existing large-chunk warning.
- `npm run audit:answers` : passed.
- 320px and 390px browser QA: label visible, no horizontal overflow, no subtitle overflow.
